

Fire Marengo

Lift him up and carry him along
Fire Marengo, fire away
Put him down where he belongs
Fire Marengo, fire away
Stow him in his hole below
Fire Marengo, fire away
Stay he must and then he'll go
Fire Marengo, fire away
When I get back to Liverpool town
Fire Marengo, fire away
I'll pass a line to little Sally Brown
Fire Marengo, fire away
I'll haul her high, I'll haul her low
Fire Marengo, fire away
I'll bust her blocks and make her go
Fire Marengo, fire away
Sally she's a pretty little craft
Fire Marengo, fire away
Sharp to the fore and rounded aft
Fire Marengo, fire away
Screw the cotton, screw it down
Fire Marengo, fire away
We'll run like hell away from Mobile Town
Fire Marengo, fire away
So lift him up and carry him along
Fire Marengo, fire away
Put him down where he belongs
Fire Marengo, fire away!
